EXTREME PROTECTION

PROTECTIVE BAGS & COVERS FOR PROFESSIONAL
CAMERAS & PRODUCTION ESSENTIALS

About camRade

“A top-notch camera deserves quality accessories and reliable protection when you’re out in the field”

When tackling a project, you need to count on your team and gear no matter where you are. The name camRade is inspired by “comrade” a steadfast friend who’s there for you through thick and thin. Just like a trusty companion, you can depend on our products, or rather ‘camRades’, to deliver in any situation. We’ve got the right solution to safeguard your camera and other AV gear against any weather or circumstance.

Thanks to clever design and high quality materials, every camRade product offers maximum protection whether you’re on the move or on location. We design in-house and have manufacturing facilities in both Europe and Asia.

camRade is synonymous with quality, which is why we proudly offer a 10-year warranty on all our products.
