### Product Description

The amaran Pano 120c Softbox is a rectangular soft light modifier designed to transform the amaran Pano 120c's direct output into a soft, diffused glow – featuring a simple hook-and-loop strap operation and collapsible design.

**Craft your soft light.** By softening shadows and eliminating harsh highlights, the amaran Pano 120c Softbox delivers flattering, natural-looking light that enhances skin tones for portraits and interviews, brings out textures in product photography, and creates a smooth, diffused glow for both indoor and outdoor setups.

**Simple, hassle-free setup.** Designed for quick installation on-the-go, the Softbox secures directly to the amaran Pano 120c with hook-and-loop straps, ensuring a secure fit without additional tools. Its elastic handles makes installation and adjustments effortless, so you can focus on creating. And with its compact, collapsible design, the Softbox is the ideal portable lighting accessory for creating on the move, on-location shoots, and dynamic environments.
