Product Description

Designed for on-the-go creators who need a versatile multi-light setup, the amaran Pano 60c 2-Light Kit includes two 60W full-color panel lights, two compact light stands, and an additional set of essential accessories. As the most compact and portable 60W panel light, each light delivers best-in-class brightness in a tablet-sized form factor. And with flexible USB-C PD power and amaran Ace E-Lock compatibility, the 2-Light Kit is the ultimate travel-ready, dual-light solution for any creative project.

All-in-one travel kit for multi-light setups. For creators who need more than one light, the amaran Pano 60c 2-Light Kit is a complete dual-light solution designed for greater creative flexibility. The 2-Light Kit includes two full lighting setups – two sets of Softboxes, Light Control Grids, Diffusers, amaran Ace Lock to Light Stand Adapters, Power Adapters, and Cables – plus two compact 2m Light Stands for easy setup anywhere. All packed neatly into a travel-ready 2-Light Kit Carrying Case for more streamlined transport and storage, the 2-Light Kit is the perfect all-in-one solution for dynamic multi-light creativity.

The most compact and portable panel. Comparable in size to a tablet, the amaran Pano 60c delivers powerful lighting in an ultra-slim, travel-friendly design – allowing you to pack light and move effortlessly between locations. And weighting only 610g (1.3lbs) each, the amaran Pano 60c is easy to transport, mount, and position – perfect for outdoor mobile shoots, tight spaces, or on-location studio setups.

Best-in-class brightness. Whether lighting small studios or expansive outdoor spaces, the amaran Pano 60c's advanced optical design can output up to 22,220 lux of high-quality light at 0.5m (6,500K). Delivering brighter and more vibrant colors in both CCT and color modes, the amaran Pano 60c outshines competing portable panel lights.

Flexible, travel-friendly power with USB-C PD. As the first panel light to support USB-C PD, the amaran Pano 60c sets a new standard for reliable, portable power. Whether creating indoors or outdoors, power up with a range of PD power banks and chargers, eliminating the need for bulky NP-F or V-Mount batteries. For wireless, mobile setups, the amaran Ace E-Lock quick-release mount pairs with the amaran Peak[1] power bank for secure, cable-free operation – delivering uninterrupted power at full capacity without voltage drops wherever you create.

Simplified, custom controls. Fine-tune your lighting with an intuitive interface that is easier to navigate, adjust, and customize. Instantly adjust color temperature and brightness without complex menus in Quick Operation Mode, or recall go-to settings with custom shortcuts. Control the amaran Pano 60c via its user-friendly color screen and dial, or wirelessly manage multiple lights on the fly with the amaran app.

[1] The amaran Peak power bank is sold separately, available from Q3 2025.
