- **One-snap**, faster and easier setup in one second
- Slim and space-saving **flat-pack design**
- **Universal Bowens Mount:** Compatible with amaran COBs and other Bowens Mount fixtures up to 600W
- **Included diffusion** for even, soft light in every shot
- **Included light control grid** for added depth & contrast
- **Included carrying bag** for easy transportation

Target Audience

The amaran Light Box 30x120 is ideal for portrait photographers looking to emulate soft, linear lights with Bowens Mount LEDs, from full-length portraits to dramatic, stylized shoots or creative effects. Its narrow, rectangular design creates a wide, diffused light spread that enhances depth and dimension in your subjects, while granting you flexibility to shape your light with precision.

Its one-snap, flat-pack design makes it easy to set up and dismantle in one second and is a convenient choice for creators frequently changing locations or setups, allowing you to spend less time on setup and more time creating.

Product Description

The amaran Light Box 30x120 is a one-snap, 30x120cm (1x4ft) narrow rectangular Bowens Mount softbox built for quick setups. Featuring a one-snap setup mechanism, this modifier is faster and easier to assemble when transforming hard point-source LEDs into a soft, linear light for full-length content, while saving valuable space with its slim profile.

Quick setup in one snap. By simply pulling on the speed ring handle to lock, the amaran Light Box 30x120 can snap into its long, rectangular shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

Free up more space with its flat-pack design. The amaran Light Box 30x120 collapses into a slim, flat profile, perfect for home studio creators looking for minimal bulk and maximum convenience when storing in tight spaces.

One softbox for all your Bowens lights. Featuring the universal Bowens Mount, the amaran Light Box 30x120 is compatible with a wide array of Bowens Mount fixtures up to 600W for the perfect home studio setup. Whether lighting a wide area for portrait photography or creating clean reflections, this modifier offers flexibility for any project.

Your full creative toolkit, all in one bag. The amaran Light Box 30x120 comes with all the components you need to craft your soft light, all packed in a carrying bag. Create a diffused glow on your subjects with the included diffusion or add depth to your image with the included control grid. With a fast and seamless experience from setup to shoot, the amaran Light Box 30x120 is the perfect companion for any creation.
