- **Included diffusion** for even, soft light in every shot
- **Included light control grid** for added depth & contrast
- **Included carrying bag** for easy transportation

### Target Audience

The amaran Light Box 45x45 is the perfect mobile solution for tabletop product photographers or close-up video creators who need soft, controlled light in tight spaces. Its compact, square shape creates a beautifully diffused glow to bring out fine, precise details over your subject, while granting you flexibility to shape your light with precision.

Whether paired with a compact Bowens Mount fixture for a portable lighting kit or used in a home studio, its one-snap setup makes it faster and easier than ever to set up and dismantle. Its flat-pack design is also ideal for on-the-go shoots, travelling to locations, or working in tight studios.

### Product Description

The amaran Light Box 45x45 is a one-snap, 45cm (1.5ft) square Bowens Mount softbox built for quick, compact setups. Featuring a one-snap setup mechanism, this modifier is faster and easier to assemble when transforming hard point-source LEDs into soft light, while saving valuable space on the move with its slim profile.

**Quick setup in one snap.** By simply pulling on the speed ring handle to lock, the amaran Light Box 45x45 can snap into its square shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

**Portable, flat-pack design for on the go.** The amaran Light Box 45x45 collapses into a slim, flat profile, designed for on-the-go creators looking for minimal bulk and maximum convenience. At only 700g (1.5lbs), this lightweight modifier frees up space in your bag and makes transport a breeze.

**One softbox for all your Bowens lights.** Featuring the universal Bowens Mount, the amaran Light Box 45x45 is compatible with a wide array of Bowens Mount fixtures up to 300W. From the amaran COB 60d S for a mobile lighting kit to the amaran 300c for a compact home studio setup, this modifier offers flexibility for any creative project.

**Your full creative toolkit, all in one bag.** The amaran Light Box 45x45 comes with all the components you need to craft your soft light, all packed in a carrying bag. Create a diffused glow on your subjects with the included diffusion or add depth to your image with the included control grid. With a seamless experience from setup to shoot, this modifier is the perfect travel companion for any creation.
