- **Included diffusion** for even, soft light in every shot
- **Included light control grid** for added depth & contrast
- **Included carrying bag** for easy transportation

Target Audience

The amaran Light Box 60x90 is a versatile softbox for creators producing soft light with Bowens Mount LEDs in larger dynamic environments – from portrait or product photographers to studio creators working in various scenarios. Its rectangular design creates a large, diffused surface that evenly fills the frame for subjects of all sizes, while granting flexibility to shape your light with precision.

Its one-snap, flat-pack design makes it easy to set up and dismantle in one second and is a convenient choice for creators frequently changing locations or setups, allowing you to spend less time on setup and more time creating.

Product Description

The amaran Light Box 60x90 is a one-snap, 60x90cm (2x3ft) rectangular Bowens Mount softbox built for quick setups. Featuring a one-snap setup mechanism, this modifier is faster and easier to assemble when transforming hard point-source LEDs into a soft, linear light for medium-scale content, while saving valuable space when stored with its slim profile.

Quick setup in one snap. By simply pulling on the speed ring handle to lock, the amaran Light Box 60x90 can snap into its rectangular shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

Free up more space with its flat-pack design. The amaran Light Box 60x90 collapses into a slim, flat profile, perfect for home studio creators looking for minimal bulk and maximum convenience when storing in tight spaces.

One softbox for all your Bowens lights. Featuring the universal Bowens Mount, the amaran Light Box 60x90 is compatible with a wide array of Bowens Mount fixtures up to 600W for the perfect home studio setup. Whether lighting a large area for portrait or product photography or creating linear reflections, this modifier offers flexibility for any project.

Your full creative toolkit, all in one bag. The amaran Light Box 60x90 comes with all the components you need to craft your soft light, all packed in a carrying bag. Create a diffused glow on your subjects with the included diffusion or add depth to your image with the included control grid. With a fast and seamless experience from setup to shoot, the amaran Light Box 60x90 is the perfect companion for any creation.
