

## amaran Octa Dome 120 One Sheet

### Main Features

- 120cm (4ft) one-snap setup ultra-large octagonal Bowens Mount softbox
- Large 8-sided design for a natural, round light source for large-scale portrait photography & video content
- One-snap, faster and easier setup in one second
- Slim and space-saving flat-pack design
- Universal Bowens Mount: Compatible with amaran COBs and other Bowens Mount fixtures up to 600W
- Included diffusion for even, soft light in every shot
- Included light control grid for added depth & contrast
- Included carrying bag for easy transportation

### Target Audience

The amaran Octa Dome 120 is ideal for creators looking to create the softest and most expansive light source with Bowens Mount LEDs for full-length portrait photography and large-scale video content. Its large, octagonal design mimics the shape of natural light, creating unparalleled softness over subjects for enhancing skin tones, texture, and creating round eyelights. Its ultra-large 120cm diameter transforms any space into a professional studio, while granting flexibility to shape your light with precision.

Its one-snap, flat-pack design makes it easy to set up and dismantle in one second and is a convenient choice for creators frequently changing locations or setups, allowing you to spend less time on setup and more time creating.

### Product Description

The amaran Octa Dome 120 is a one-snap, 120cm (4ft) large octagonal Bowens Mount softbox built for quick setups. Featuring a one-snap setup mechanism, this extra large 8-sided modifier is faster and easier to assemble when transforming hard point-source LEDs into the ultimate soft, natural light for larger environments, while saving valuable space when stored with its slim profile.

**Quick setup in one snap.** By simply pulling on the speed ring handle to lock, the amaran Octa Dome 120 can snap into its large, octagonal shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

**Free up more space with its flat-pack design.** The amaran Octa Dome 120 collapses into a slim, flat profile, perfect for home studio creators looking for minimal bulk and maximum convenience when storing in tight spaces.

**One softbox for all your Bowens lights.** Featuring the universal Bowens Mount, the amaran Octa Dome 120 is compatible with a wide array of Bowens Mount fixtures up to 600W. This modifier creates an ultra-soft, natural glow for advanced portrait photography and interviews, making it the perfect octagonal softbox for studio setups and wider areas.

**Your full creative toolkit, all in one bag.** The amaran Octa Dome 120 comes with all the components you need, packed in a carrying bag. Create a natural glow on your subjects with the included diffusion or add depth with the included control grid. With a fast and seamless experience from setup to shoot, this softbox is the perfect companion for any creation.
