

amaran Octa Dome 90 One Sheet

Main Features

- **90cm (3ft) one-snap setup large octagonal** Bowens Mount softbox
- **8-sided design** for a natural, round light source for studio & on-location interviews & portrait photography
- **One-snap**, faster and easier setup in one second
- Slim and space-saving **flat-pack design**
- **Universal Bowens Mount:** Compatible with amaran COBs and other Bowens Mount fixtures up to 600W
- **Included diffusion** for even, soft light in every shot
- **Included light control grid** for added depth & contrast
- **Included carrying bag** for easy transportation

Target Audience

The amaran Octa Dome 90 is the perfect versatile solution for portrait photography, on-camera interviews, and solo creators looking to create a large, soft light for larger scenes with Bowens Mount LEDs. Its octagonal design mimics the shape of natural light, creating a large and beautifully diffused, even glow over subjects for enhancing skin tones, texture, and creating round eyelights, while granting you flexibility to shape your light with precision.

Its one-snap, flat-pack design makes it easy to set up and dismantle in one second and is a convenient choice for creators frequently changing locations or setups, allowing you to spend less time on setup and more time creating.

Product Description

The amaran Octa Dome 90 is a one-snap, 90cm (3ft) large octagonal Bowens Mount softbox built for quick setups. Featuring a one-snap setup mechanism, this large 8-sided modifier is faster and easier to assemble when transforming hard point-source LEDs into soft, natural light for larger environments, while saving valuable space when stored or on the move with its slim profile.

Quick setup in one snap. By simply pulling on the speed ring handle to lock, the amaran Octa Dome 90 can snap into its octagonal shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

Free up more space with its flat-pack design. The amaran Octa Dome 90 collapses into a slim, flat profile, perfect for home studio creators looking for minimal bulk and maximum convenience when storing in tight spaces.

One softbox for all your Bowens lights. Featuring the universal Bowens Mount, the amaran Octa Dome 90 is compatible with a wide array of Bowens Mount fixtures up to 600W. This modifier creates a soft, natural glow for portrait photography and interviews, making it the perfect octagonal softbox for home studio setups and wider areas.

Your full creative toolkit, all in one bag. The amaran Octa Dome 90 comes with all the components you need, packed in a carrying bag. Create a natural glow on your subjects with the included diffusion or add depth with the included control grid. With a fast and seamless experience from setup to shoot, this softbox is the perfect companion for any creation.
